→ at our **PROJECTS**

## ARTIFICIAL TERRITORIES

At our immersive exhibition format we always are happy for support

## LOTLabs

Upon request! If you want to try out a new idea at LOT talk to us. You get the space for free with the basic equipment and can realize a performance/ an event etc. It has to be a try out of some new idea and not a finished piece you are showing!

## MOSAIQUE

Is our feedback format where artists show their unfinished work to discuss with the public on the process.

→ at our **BAR**

If you want to work at our bar at an event, let us know! We are always happy for helpers. We can pay you at bigger events like TECHNOLOT – great dance music, drinks and fun included. At smaller performances/theaters etc. we cannot afford a payment but you will have the opportunity to watch the piece for free and talk to the artists.

→ **OTHER** There are often things we don't think about but you do. So just talk to us and tell us your idea how you could contribute – tell us at an event or via mail: [ahoi@lot.wien](mailto:ahoi@lot.wien)
